Orphanet Journal of Rare Diseases 2023: P3

Following publication of the original article [1], we have been notified that Fig. 1 in abstract “**Innovating for people living with a rare disease: Why partnerships are key for the European OMP ecosystem**” was published incorrectly. Please see below incorrect Fig. 1:

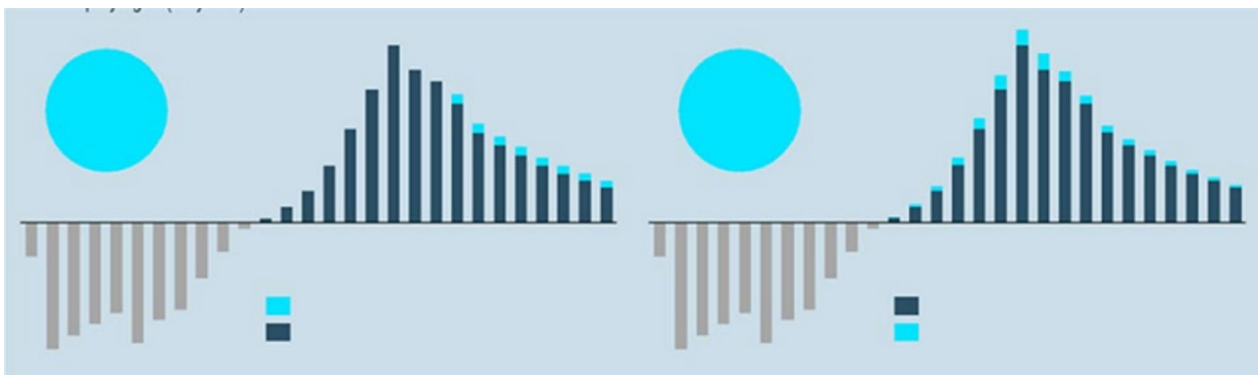

Fig. 1 Effect of an increase in length of ME (left) and partnership solution (right) on the rNPV of a hypothetical ultra-rare OMP [3]. ME = market exclusivity, rNPV = risk-adjusted net present value

Correct Fig. 1 is:

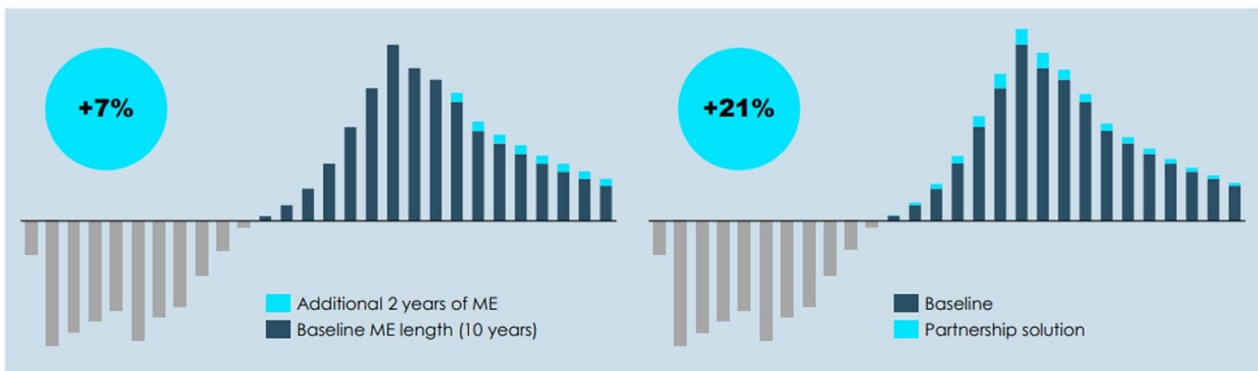

Fig. 1 Effect of an increase in length of ME (left) and partnership solution (right) on the rNPV of a hypothetical ultra-rare OMP [3]. ME = market exclusivity, rNPV = risk-adjusted net present value

The original article was updated.
